

REMARKS

By the present amendment, Applicant has amended Claim 1. Claims 1-8 remain pending in the present application. Claim 1 is the sole independent claim.

The indication by the Examiner in the recent Office Action (date mailed October 4, 2005) that Claims 1-8 were allowable over the prior art of record is noted with appreciation.

The Examiner objected to the Abstract as being improper format and language. Applicant has amended the Abstract to comply with MPEP 608.01(b). Applicant submits that no new matter has been entered.

In the recent Office Action the Examiner objected to Claims 1-8 because in Claim 1, the phrase "said separable section" should read --said first separable section--. Applicant has amended Claim 1 in accordance with the Examiner's suggestion. In addition, Applicant has amended Claim 1 by correcting "a bottom separable section" to read as --said second separable section-- in order to maintain consistent claim language. Applicant respectfully submits that Claim 1, as amended, obviates the grounds of objection.

For the foregoing reasons, Applicant respectfully submits that the present application is in condition for allowance. If such is not the case, the Examiner is requested to kindly contact the undersigned in an effort to satisfactorily conclude the prosecution of this application.

Respectfully submitted,
